

<p>Alison Little VP Coordinator</p> 	<p>I've been very busy collecting all the information for the Partnership Board Annual Report. The Department of Health sent us a long and complicated form we had to fill in with lots of information about Leicestershire, people and services. It's all done now and sent in.</p> <p>The report and an easy words presentation explaining what we have put in it will both be on the website soon www.betterlives.org.uk.</p>
<p>Keeley Smith VP Administrator</p> 	<p>I have just been working hard on the end of year accounts and getting all the invoices paid and up to date.</p> <p>I have also been making sure the Better Lives Website is up to date and have been having some help from some self advocates to look at other Partnership Board Websites to see how we can make ours lots better.</p> <p>I continue to support the work of the Partnership Board.</p>
<p>Simon Dalby PCP Coordinator</p> 	<p>I have been helping the personalisation pilot in North West Leicestershire look at some key Person Centred Thinking Tools. Three sessions were held with the workers from the pilot to look at circles of support, the working and not working tool and what is important now and in the future.</p> <p>I have also delivered a workshop to all Leicestershire County Council Provider Managers to agree the things to look for to see if we know a service is really good and plans are good quality.</p>
<p>Sue Cawrey PCP Facilitator</p> 	<p>I have just finished putting together a new resource book for Person Centred Thinking Tools.</p> <p>This book is for people who support with planning. It will help people with and give ideas around planning.</p>
<p>Miranda Graham CDW</p> 	<p>I have been working with Leicestershire Police Authority to help them to make their 'Your Money Your Voice Your Police' booklet easy to understand for everyone.</p> <p>I am working with Melton and Harborough to write their new action plans and to vote for people to do the jobs like Chairperson of the groups.</p>
<p>Jane Robins Carer's Development Officer</p> 	<p>I have been busy working with Mary organising a carer's event at the Bosworth Heritage Centre in the Hinckley Locality. The event was held on a Saturday so more carers had the chance to come. There was lots of information for carers, lunch and the chance to see and hold some birds of prey. Carers and their families also got free access into the Heritage Centre for the day. Pictures and carers comments can be seen in the report on the Better Lives Website.</p>

<p>Julie Bird VP Administrator</p> 	<p>I continue to support the work of the Community Development Workers and the Locality Groups. <p>Mary Flynn CDW</p> 	<p>I have been working on the 'Keep Safe Card' for children and young people. We had two launches. One at Dorothy Goodman School in Hinckley. <p>Jane Bromley CDW</p> 	<p>I have been working on 2 projects about keeping safe. The first is a 'Keep Safe Guide CD'. This tells you how to be safe at home and when you're out and about. The CD will be available later on the year to groups and organisations. The other is a booklet which tells you how the police and social workers will help to keep you safe if you have been abused.</p>
<p>Emma Bainbridge PCP Facilitator</p> 	<p>Now that some individuals have moved in to supported living from the Health Homes I will be giving Person Centred Planning support to the new providers and staff to ensure good planning continues and that people are doing the things they want to and their life is changing. I am also supporting the planning process for those who have not yet moved. I will be auditing the City Health Homes to identify the areas that need more support with Person Centred Planning.</p>
<p>Danielle Bowler PCP Assistant</p> 	<p>I have made a booklet about Person Centred Reviews for parents and carers. This booklet tells parents and carers what a Person Centred Review is and what will happen during the review.</p>
