“Supporting people with learning disabilities within the heart of their community”

Whole Life Disability Strategy – a chance to have your say about how it is written.

Do you feel as if Leicestershire County Council do not listen to you?

This is a chance for you to have a say about a plan the council are writing.

They want to know what they should do to improve services and about services that are already working well.

Dear Parent/Carer

Freedom Support Solutions Ltd want to invite you to

Whole Life Disability Strategy Consultation event on Wednesday 12th April at 4:30pm at Freedom HQ.

We want to give you the chance to have your say about changes that are happening.

Steve Woodhead who works for People Too has been employed by Leicestershire County Council to write this Strategy and he wants to know what you think about services in this area.

Steve will do a presentation and then a workshop. There will be time to talk to each other and then ask Steve questions about the changes that are happening and what things need to improve.

Please come along on the day or if you would like to know more please contact me on **01858 463546** or email me on **miranda@freedomsupport.co.uk**
