3. Actions from the last meeting

- The previous minutes from the last steering group meeting were looked at.

4. Partnership Board Meeting in January 2019

January's Partnership Board meeting:

The presentations that were held at the partnership board meeting were about:

- Employment
- Feedback from Training Event

We think it was a very good meeting because

- Presentation caused a lot of thought.
- Promoting employers to have self-advocates volunteer was talked about.
- Kylie wanted a presentation on how self-advocates can get into work.
- Kylie said self-advocates need interview skills.
- Fiona suggested the CERT workers need to focus on how to strengthen support for self-advocates.

We think that it was a bad meeting because

- The sound system didn't work in the Council Chambers and we could not watch the video of the training event. The videos links have now been posted on the better lives website.
- The Council Chambers is not the best room to use for our meeting and we are going to look at booking next year's rooms earlier this year. Claire to look at changing the dates of March and November board to see if we can book Sparkenhoe Committee Room.
- A lot of people left after coffee break. Do we need to look at moving January's Partnership Board to the end of the month to give professionals time to catch up with work after the Christmas holidays?

Training Event

It was agreed that we should do another training event this year.

The themes were agreed as follows;-

Title - Whole life Disability

Living well with a learning disability in Leicestershire

4 Themes

- Older Adults
- Preparing for older age
- Working age Adults
- Preparing for Adulthood

Suggestions for future partnership board meetings:

The March, July and November Partnership Board Meetings will also be looking at these themes

5.

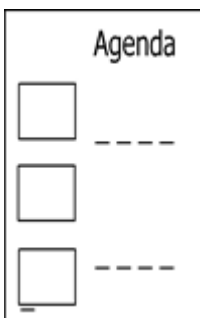

Membership of Board

- Claire is visiting Business Support Teams in all localities to promote the Partnership Board and hopefully add new members to the group.

6.

Planning the next Partnership Board meeting

Thursday 21st March 2019

- It was suggested the Whole Life Disability Strategy needs looking at to see if it needs updating.
- A discussion took place around early diagnosis for maximum opportunity in the future. It was suggested inviting GP's and schools to the training event. We also talked about people who have a late diagnosis and the impact this could have on them later in life.

March 2019 Partnership Board Meeting

- The steering group agreed that the March 2019 partnership board meeting will be about Health and Accommodation.

The catch-up sessions will be

- Changing Rooms Update
- Safety
- Fee Review for Residential and Nursing Care Homes

Future themes for partnership board meetings

- Older Adults
- Preparing for older age
- Working age Adults
- Preparing for Adulthood

7.

Locality and Sub Groups

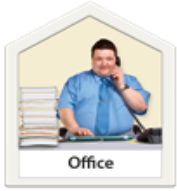

8.

Better Lives Website

- There has been an improvement on the Better Lives Website since Maureen Heneghan has been involved. Heather also wanted to celebrate the work of the board in making this better.

9.

Admin Support

- No concerns were mentioned by the steering group about admin support.

10.

Training Event

Claire to look at venues for the Training Event in July or September. Suggested venues were Mountsorrel Memorial Centre, NSPCC and Leicester Racecourse.

11.

Any other business

Linda mentioned the on-line Carers Assessment Form. The form said 'save for later' but when Linda went back to complete the form her work hadn't been saved. Fiona is going to mention this to Jim Lorriman.
