Self Advocates Children and Families Act Workshop Feedback

What do you think about the new Children and Families Act 2014?

- One person said it wasn't very good
- Some people said they weren't very sure about it
- Quite a lot of people said it was quite good

- We said we didn't know enough about it
- We think it might be a fairer way of doing things
- It might be less of a label
- Many people didn't know they had a statement
- A statement plan is all the different plans put together. For example health plan, communication plan, social care plan.

How can we support children and young people with special educational needs and disabilities to plan well for the future?

- We don't feel anyone is doing Person Centred Planning at the moment

How can we tell other people about the Children and Families Act?

- Locality Groups
- Self Advocates events and meetings
- Leaflets
- Open evenings
- Twitter and Facebook
- Schools and colleges
- Phone App and Instagram
- Adverts in cinemas
- Libraries, banks and post offices
