## What will it be about?

Later this year Mencap is launching their new Health campaign. We will be looking what Health services are like in your local area.

You will also find out about Mencap's new Health Campaign and how you can get involved locally and what Mencap will be doing nationally.

This event is open to people with a learning disability, carers and supporters who want to get involved and be part of the Health campaign.

Places are limited, please contact **Bindya Mistry** to book a place and for more information on:
