Communication

At the Partnership Board everybody is equal. We are all important. It is important that we can all join in and say what we think.

To make sure we do this we all need to use easy words and no jargon

Please hold up the yellow card if you want to speak. Please do not speak until you are asked to do so by the Chair.

Not using Yellow or Red Cards during a Virtual Meeting

too fast. Anyone can hold up this card at any time. As soon as you see the red card, please stop talking.

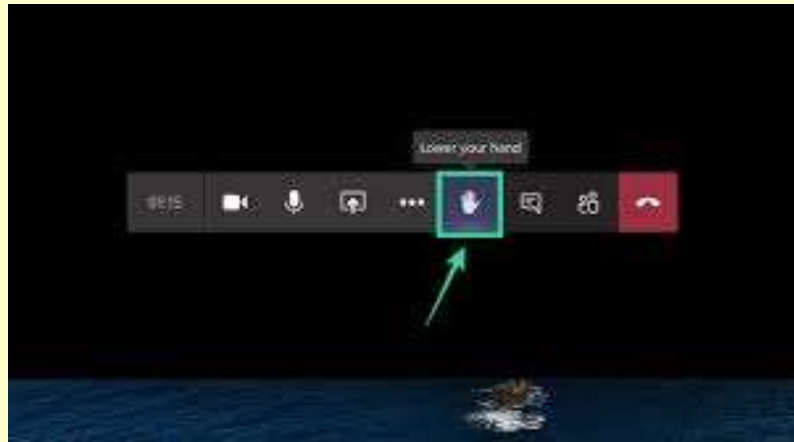

Making things easy to understand is a difficult job so at each meeting we will ask someone to help make it easier for everyone to join in. Their job is to be the Word Police. Please remember, the Word Police is there to help us all.
